PROFILE

Recent Computer Science Engineering student with hands-on experience in MERN stack development, UI/UX design, and project-based learning in AI/ML .I'm looking for an internship or campus placement opportunity where I can apply what I've learned through my projects, improve my practical skills, and be part of a team that's building innovative and real-world tech solutions. I'm eager to learn, grow, and contribute in a professional environment.

TECHNICAL EXPERIENCE

Web Development Intern

CodecartZ — Remote

January 2024 – February 2024

- *Transformed UI designs into responsive web pages utilizing HTML and CSS.*
- *Created clean, well-structured code, enhancing the company's online presence.*

UI/UX Design Intern
